1. [REDACTED] Called Doug Marvin on the staff of Senator Roman L. Hruska (R., Neb.) regarding Senator Mike Mansfield's (D., Mont.) statement in the Congressional Record of October 4th that Senate consideration of S. J. Res. 240, relating to the release of Watergate-related materials, was to be indefinitely postponed. Senator Mansfield stated that this was pursuant to an agreement with Senator Hruska. Marvin said the agreement between the Senators was that S. J. Res. 240 would not be brought up on the floor of the Senate this Congress.

2. [REDACTED] Jim Oliver, OMB, called and asked if we knew anything about an Inter-agency committee scheduled to meet today to discuss legislative oversight of the Agency explaining that he would be interested in sitting in on the session. I told Oliver I had no such information and in response to my query, he said he was unaware of OMB's position on the matter.

3. [REDACTED] Greg Rushford, Legislative Assistant to Representative Clarence D. Long (D., Md.), called again on his request for information on the Persian Gulf saying Representative Long wants him to receive the information and that he has many questions to ask us. I asked if he had tried the Library of Congress, which he said he had with meager results. Again I made it clear we would see what we could do but that I was not optimistic and I would let him know in a few days.

6. [redacted] Met with Frank Slatinshek, Chief Counsel, House Armed Services Committee, and reviewed with him the several items of conversation with Chairman Lucien N. Nedzi (D., Mich.), Intelligence Subcommittee, House Armed Services Committee. Slatinshek gave me two New York Times articles, one by Barry M. Blechman and Stephanie E. Levinson entitled, "U.S. Policy and Soviet Subs" and the other by Seymour M. Hersh entitled, "CIA Said to Have Asked Funds for Chile Rightists in 1973" and asked for our comments on them.

[redacted] OCI, has been advised.

7. [redacted] I met with Keith F. Mainland, Clerk and Staff Director, House Appropriations Committee, and discussed with him the matter of the Clark tapes and the GAO request for regular distribution of the EIW. As to the latter item, see Memorandum for the Record.

I also discussed with Mainland the request from Greg Rushford, Legislative Assistant to Representative Clarence D. Long (D., Md.), concerning his request for briefings and background information on the Persian Gulf and told him that we intended to politely but firmly refuse the request. He had no question.

8. [redacted] Received a call from Jody Cornwell, from the office of Senator Bob Packwood (R., Or.), requesting the whereabouts of Doug Shaeffer, an old school-friend of hers, who had told her he worked for the Agency. After checking with Personnel, I called Ms. Cornwell back and told her we had no record of him.

9. [redacted] Neil Livingston, on the staff of the House Internal Security Committee called to ask that we check on [redacted]

subscriptions and send them to 309D Cannon House Office Building to Livingston's attention.
